Strata Plan 52948

Notes to the Financial Statement

For the Year Ended 31 August 2024

1 Summary of Significant Accounting Policies

General Information

This financial report covers Strata Scheme 52948 (the “scheme”) as an individual entity. The strata committee of the scheme have determined that the Plan is not a reporting entity.

Basis of Preparation

The financial report is a special purpose financial report that has been prepared in order to satisfy the financial reporting requirements of *Strata Schemes Management Act 2015*.

The financial report has been prepared from the records of the strata title. The following material accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

(a) Cash

Cash include deposits held at call with banks.

(b) Revenue and Expenditure

Revenue is measured at the fair value of the consideration received or receivable. Levies due and receivable are accounted for under the accrual basis of accounting.

Any other income and all expenditure is accounted for on a cash basis and is brought to account when the income is received or the expense is paid, except otherwise stated.

(c) Income Taxes

Where applicable, income tax expense will be shown in the Statement of Financial Performance.

Income tax is payable on non-mutual income. Where income is derived from using common property, the individual lot owners are assessed under Tax Ruling TR2015/3.

(d) Goods and Services Tax (GST)

The strata accounts for GST are on a cash basis, revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the Statement of Financial Position are shown inclusive of GST.

Strata Plan 52948

Notes to the Financial Statement

For the Year Ended 31 August 2024

(e) Deficit for the year

As at year end, the Administrative Fund is in deficit amounting to \$45,584.29.

The 'Act' allows for loans between funds, but not for a period greater than 3 months. Strata Schemes Management Act 2015 - Section 76 Part (2) states that "The Owner's Corporation must, not later than 3 months after the transfer or use, determine by resolution at a general meeting whether the money, or part of the money, should be reimbursed to the fund from which it was transferred or paid."

Section 79 Part (3) requires that "When estimating amounts needed to be credited to the administrative fund or the capital works fund, the Owners Corporation must have before it, and take into account, a statement of the existing financial situation of the strata scheme and an estimate of receipts and payments."

When the budget is being considered by the Owners Corporation at the next Annual General Meeting, the Administrative Fund should be brought back into surplus by increasing the annual budget for the fund in deficit to cover both the anticipated expenditure for the financial year plus the deficit brought forward from the previous year.

INDEPENDENT AUDITOR'S REPORT TO THE OWNERS OF STRATA PLAN 52948

Report on the Audit of Financial Report

Opinion

We have audited the accompanying financial report, being a special purpose financial report of Strata Plan 52948 for the year ended 31 August 2024 comprising the Statement of Financial Position and Statement of Financial Performance in respect of the Administrative Fund Account and Capital Works Fund Account for the year then ended and a summary of significant accounting policies and other explanatory information.

In our opinion the financial report presents fairly, in all material respects, the financial position of Strata Plan 52948 as at 31 August 2024 and of its performance for the year then ended in accordance with the *Strata Schemes Management Act 2015* and the basis of accounting policies described in Note 1.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of Strata Plan 52948 and Waratah Strata Management Pty Limited in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the "Code") that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to Note 1 (e) to the financial statements which describe the reported deficit as at 31 August 2024. Our opinion is not qualified in respect of this matter.

The Responsibility of the Owners' Corporation and Managing Agent for the Financial Report

The Owner's Corporation and Managing Agents (Waratah Strata Management Pty Limited) are responsible for the preparation and fair presentation of the financial report and have determined that the accounting policies described in Note 1 to the financial report are appropriate to meet the requirements of the *Strata Schemes Management Act 2015* and are appropriate to meet the needs of the owners of Strata Plan 52948. The Owner's Corporation and Managing Agents responsibility also includes designing, implementing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Owner's Corporation and Managing Agents are responsible for assessing the ability of the Strata Plan 52948 to continue as a going concern, disclosing as applicable matters related to the going concern and using the going concern basis of accounting

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken based on the financial report.

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by responsible entities.

Auditor's Responsibilities for the Audit of the Financial Report (continued)

- Conclude on the appropriateness of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Strata Plan 52948 ability to continue as a going concern. If we conclude that a material uncertainty exists, or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Strata Plan 52948 to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with Managing Agents regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
