

- Owner of Lot 181 can go as low as hiding supermarket's trolley in his garage for many years.

Mr. Stan Pogorelsky must prove that he acquired the trolley from Woolworth's legally. It is duty of every law-abiding citizen to act upon suspicious activities. These trollies cost the supermarket chains between \$500.00 and \$1,000.00.

- Unusual amount of documents is being destroyed and dumped in rubbish bins in the complex. It is easy to know who is behind it.
