The agenda for this meeting was deliberately presented by Bannermans Lawyers, Waratah Strata Management, and Mr. Stan Pogorelsky to NCAT in case 2024/00454780 on 20 March 2025. Applicant is highlighting it to show to what extent strata managers and committee members went to ensure non-compliance with strata laws and regulations in regards to organising meetings and managing SP52948. Instead of proving quality of their work to NCAT, they did the opposite: the below evidence proves persistent misconduct and dysfunctional operation of SP52948 (meetings were not sent to all owners, did not have detailed agenda, did not provide any details of continuous and significant negative balances in Admin Fund, and hid long-term fire safety non-compliance orders issued by City of Ryde Council). More than 30 ordinary committee and general meetings failed to comply with strata laws since Waratah Strata Management took office on 1 February 2017:

1.2) Whilst unfinancial, without disclosing any details of NCAT case to owners, Mr. Pogorelsky and Uniqueco Property Services Director Steve Carbone organised collection of signatures (petition) around 17 March 2025.

Applicant asked Mr. Stan Pogorelsky and Mr. Steve Carbone to confirm or deny such allegations and they stayed silent, whilst preventing the Applicant from accessing this petition.

Mrs. Genelle Godbee, in her witness statement on 20 March 2025, confirmed this petition as "proof of owners corporation functioning satisfactorily":

They organised a solicited signature gathering for a particular purpose (a petition or other legal document) through active outreach and persuasion. Their canvassing was deliberate and orchestrated that owners did not make an informed consent (crucial to ensure that individuals were aware of what they were signing and that they understood the consequences of their signature).

This is the same process unfinancial committee members ran in 2011, which was documented in Applicant's submission in Paragraph 2 of "NCAT-2024-00454780-001-remove-committee-member-Stan-Pogorelsky-SSMA-2015-Sec238-part-1-updated-29Jan2025" on 29 January 2025. Mr. Moses Levitt, on 17 February 2011 created a campaign:

 $\underline{https://www.nswstratasleuth.info/NCAT-2024-00454780-001/CTTT-SCS-11-00711-signature-campaign-organised-by-\underline{unfinancial-EC-member-Moses-Levitt-full-summary-17Feb2011.pdf}$ 

#### Extract from his submission:

"I have no concerns regarding the administration of the affairs of our Strata Plan and believe that all involved in the management carry out their duties to a good standard, that they are honest in their Endeavour's and that owners are regularly advised on matters affecting the property."

- 1.3) In Bannermans Lawyers submission to NCAT on 12 February 2025, which Ms. Pham did not send to the Applicant and failed to comply with Tribunal Orders made on 15 January 2025, and even lied to Tribunal at Directions Hearing on 20 February 2025 that she had sent the letter to the Applicant via courier, the following was stated in Paragraph 12:
- 12. Paragraph 3.3 of the POC is irrelevant to the Applicant's application. In addition, there is no requirement for a strata committee member to be financial to be elected to the strata committee.

Bannermans Lawyers made this senseless statement in direct contradiction with SSMA 2015 Section 23 (8):

(4) Voting rights cannot be exercised if contributions not paid A member of the strata committee is not entitled to vote on any motion put or proposed to be put to the strata committee if the member was, or was nominated as a member by a member who was, an unfinancial owner of a lot in the strata scheme at the date notice of the meeting was given and the amounts owed by the unfinancial owner were not paid before the meeting.

Under the Strata Schemes Management Act 2015 (NSW), an owner cannot vote at a general meeting if they are "unfinancial" at the time of the meeting, meaning they have not paid all contributions and other amounts owed in relation to the lot. This rule also applies to the exercise of voting rights on the strata committee. An owner must make these payments before the meeting to be eligible to vote on motions other than those requiring a unanimous resolution.

An owner is considered unfinancial if they have outstanding contributions or other amounts (like late fees or charges) owed to the owners corporation at the time of the meeting. The restriction applies to general meetings of the owners corporation and meetings of the strata committee. An unfinancial owner cannot exercise their voting rights at the meeting. To regain their voting rights, the owner must pay all overdue contributions and any other outstanding amounts related to their lot before the meeting. The payment must be made by the meeting date to be eligible to vote on most matters.

Ms. Pham could not provide any evidence on how would Mr. Pogorelsky , or any other unfinancial owner, vote at any meeting if all contributions not paid before the meeting.

2) The meeting as organised by Waratah Strata Management, did not satisfy requirements of Strata Schemes Management Act 2015 (SSMA), Schedule 2, Section 4 (1) and (2), and section 7, and Interpretation Act 1987 (NSW).

In public display of keeping appearances, Bannermans Lawyers are well aware of risks with time limits to send notices for general meetings (similar applies to ordinary meetings too, but with shorter time frames):

# What a difference a day makes (well two days) – Beware of time frames for General Meetings when using mail services

POSTED 08 DECEMBER 2023

Category: Strata

Beware of time limits when placing notices for general meeting into the postal system

A recent case brought us back to basics with respect to the timeframes in which notices of general meetings must be served under the Strata Scheme Management Act 2015 ("SSMA").

Pursuant to Schedule 1 Clause 7(3) of the SSMA, different notice periods apply to different types of general meetings of the owners corporation. For annual general meetings, notice must be served on each lot owner at least 14 days before the general meeting. For general meetings other than an annua general meeting, notice of the general meeting of the owners corporation must be served on each owner at least 7 days before the general meeting. Please see below the excerpt of clause 7(2) of the SSMA:

3) As of 13 September 2025, Bannermans Lawyers, Waratah Strata Management, and three committee members who attended two Hearings on 22 April 2025 and 22 July 2025 (Mr. Stan Pogorelsky, Mr. Joe Spatola, and Mrs. Genelle Godbee) failed to respond to this evidence or refute it.

Further more, they did not address Applicant's submission on 7 July 2025, with Table of Contents shown herewith:

 $\underline{https://www.nswstratasleuth.info/SP52948-year-2025/Table-of-Contents-NCAT-2024-00454780-concerns-about-procedural-errors-and-misleading-statements-6Jul2025.pdf}$ 

4) Notice of the meeting hid all details of the financial status in Admin Fund. On 17 May 2024, Admin Fund had negative balance (deficit) in amount of -\$54,526.34:

5) Agenda was not detailed and did not publish any information for Motion 2 and Motion 4:

 $\underline{https://www.nswstratasleuth.info/SP52948-year-2024/SP52948-agenda-EC-meeting-17May2024.pdf}$ 

The Agenda for the meeting is:

#### 1 MINUTES

That the minutes of the previous strata committee meeting be confirmed as a true record of the proceedings of that meeting.

#### 2 FINANCIAL REPORT

That the financial reports for the current financial year be tabled and discussed.

#### 3 FIRE ORDER

That the tender analysis and recommendation prepared by CORE Consulting Engineers be tabled and discussed.

## 4 GENERAL BUSINESS

That any general business items be raised and discussed.

#### 5 NEXT MEETING

That the date time and location of the next Strata Committee meeting be decided.

Date of this notice: 17 May 2024

6) Agenda was not sent to Applicant, whilst evidence if it was sent to all other owners who do not live in the complex was undisclosed by Waratah Strata Management.

7) None of six notice boards published agenda of the alleged meeting until one day before the meeting on 22 May 2024:

8) Main motion for this meeting contained incomplete details about massive expenses awaiting owners - Core Consulting Engineers was engaged to assess tenders by the following fire contractors in a response to the tender documentation by CORE (forced by City of Ryde Council). Even worse, these tenders were incomplete, in spite of fire safety non-compliance for many years (still unresolved as of mid-September 2025).

Agenda for committee meeting sent on 17 May 2024 and AGM sent on 4 November 2024 repeated Core Consulting Engineering alleged tender analysis which did not failed the criteria of truth:

 $\underline{https://www.nswstratasleuth.info/SP52948-year-2024/SP52948-delayed-actions-by-Core-Consulting-Engineers-since-15May2024.pdf}$ 

Alleged CORE Consulting Engineers tender for SP52948 (full details have never been provided to owners) as sent in agenda for committee meeting on 17 May 2024 and Annual General Meeting on 8 October 2024 differed only by date and signature of the sender, in sopite of seriouys concerns of costs not being finalised:

"In summary CORE recommend engagement of Superior Fire Services for the works. Note the costs provided are not final and additional surveying will be required to finalise the cost. This assessment does not constitute final project costs which may be subject to variations."

Five and half months passed since that report and no further analysis has been done, preventing owners corporation from making fully informed decisions, in spite of SUU (Strata Unit Underwriters) warning on 24 September 2024:

Core Consulting Engineers received concerns and inquiries from the Applicant but failed to respond each time:

- 30 November 2022 (email in two parts)
- 13 March 2022
- 12 May 2022

Excluding FY 2024 (Waratah Strata Management claimed there were no payments for "Maint Bldg -- Consultants Code 164200" in agenda for Annual General Meeting in November 2024), Core Consulting Engineers was paid \$20,250.00 (GST excl):

19/12/2022	Core Consulting Engineers Pty Ltd \$3,750.00	INV-CCE3528

For FY 2023 alone, Waratah Strata Management and Uniqueco Property Services failed to justify invoices and expenses in amount of \$122,843.87 (GST excl) before, at, and after AGM 2023, which include these payments related to fire orders:

9) Waratah Strata Management website in two folders (Main landing page for Applicant owner and the Meetings folder) had information they did not schedule any meetings as of 21 May 2024:

... and conflicted with the Documents folder which listed the meeting since 17 May 2024:

10) Agenda did not disclose to owners details of Solicitor Adrian Mueller's costs in Standard Costs Agreement and that Police Event was opened for his alleged criminal activities, whilst Office of Legal Services Commissioner and Law Society of New South Wales continued to investigate his misconduct in relation to Supreme Court case and insurance fraud.

11) In Bannermans Lawyers witness submission to NCAT on behalf of Mr. Stan Pogorelsky on 20 March 2025, they listed minutes of the alleged committee meeting on 6 January 2025 (also non-compliant) stating that the previous committee meeting was on 2 April 2024, directly confirming that the Attachment 26 of agenda for strata committee meeting on 17 May 2024 on page 838 of Mr. Pogorelsky's witness statement was falsified and void:
